but then in the final quarter Toyota pulled away scoring eight goals to Mazda's three. The final score was Toyota (31) to Mazda (18).

## Eden C Grade taste defeat at Pambula

### Eden Cricket Club C Grade

The team traveled to Pambula on Saturday to take on second placed Pambula Red Heelers. Pambula won the toss and elected to bat, and opener Wright was quickly dismissed off the bowling of Mick Geercke who made a welcome return to the C Grade ranks. Hassan was next in and out LBW to Matt Evelyn. Pambula opener Lohman batted aggressively, scoring his runs to the leg side before Dave Timms had him well caught by Scott Munday. Jeff Adams bowled Langley, then had Charlie Shepherd caught. Mick Maloney was tragically run out, followed by Delves bowled by Scott Munday both having scored 15. Yelvington and Tim Shephers also fell to Jeff Adams' bowling and Geercke completed an excellent effort having Gammon bowled. Matt Longley remained not out four when the

Pambula innings finished at 99. Jeff Adams finished with the fine figures of four for 22, Mick Geercke took two for 18, Matt Evelyn one for 25, Dave Timms one for 18, Riley Pease, none for nine off five overs and Scott Munday one for four. The Eden side jubilant to have dismissed a strong batting line-up for less than 100, were feeling confident of another successful run chase. The innings began well with the two Daves, Timms and Evelyn looking solid before Timms was caught with the total on 12. When Evelyn was out in the 10th over the total was 28. Jake Young was also out at the same total before disaster struck with Matt Evelyn, Mick Geercke and Jeff Adams dismissed with the total on 42. Buzz Thiedeman was next, followed by Brad Innes.

Scott Munday hit Don Hassan for a four and a six from consecutive balls before falling to the next one. Cody Crane was next to fall and the Eden Innings was all over before drinks on the stunning total of 61. For the Red heelers Langley took three for 19, Don Hassan four for 17 and J.Denham three for 13. All in all a very disappointing capitulation by the previously undefeated Eden side. A total of 100 should have been relatively simple against an unthreatening attack, but a degree of complacency was evident and a loss like this should spur the side on when we resume on January 31. Training will continue through the break. All players are asked to attend the Australasia Hotel next Saturday night to see Santa. **Middle Stumped See Page 62 for the A Grade report.**

## Blizzard cancels race

### From Back Page

Mark and Peta alternated driving and peddling alongside Lisa until the weather deteriorated so badly they "ditched the bike at a servo" and joined her on foot. "She was more worried about us," Mr Spink said. He said competitors went through cycles of energy and fatigue, powering uphill at seven kilometres an hour and slowing to a shuffle when they were down. On one such slump, a male competitor ordered pizza near Cooma, ate two pieces and stuffed two more in his shorts pockets for later. Mark said Lisa and her fellow runners had rest periods where they slowed to a shuffle. "Then she'd just take off again at full pace," he said. When Mark left Lisa with her mother after the race, she "had ice packs everywhere and blisters on her feet". The race took its toll on Mark as well. He came back to Eden on Saturday for the 1pm coin toss in Eden Cricket Club's first of a two day match against Pambula, and slept in the sheds when he wasn't on the field. The race was formed by four friends at a Sydney pub in 2004. The first race was run in 2005 and became official only last year.
